In addition to Your chosen excess or the excess on the Domestic plans, a special excess will apply to:

SECTION 2: Additional Expenses if You are diagnosed with COVID-19 on Your trip: International plans - \$250, Inbound - \$250, Domestic plans - \$250.

SECTION 4: Amendment or Cancellation Costs if You or Your travelling companion are diagnosed with COVID-19 on Your trip: International plans - \$500, Inbound - \$500, Domestic plans - \$250.

If Your claim is under both sections, the higher special excess will be deducted. The special excess applies in addition to any other excess. You cannot remove this special excess.

What that means is, for example, if You chose a \$250 excess on the International Comprehensive plan, and claim for Additional accommodation costs and cancellation costs because You were diagnosed with COVID-19 on Your overseas trip, We would deduct an excess of \$750 in total from Your Claim. (\$250 excess + \$500 special excess).
