

Hello Benjamin MacIsaac,

## We've got you

*Good news: your existing medical condition(s) are approved (ref 200652606)*

Thanks for completing your assessment on 28/05/2026. We're happy to say cover for your existing medical conditions will be included in your policy for your trip to Thailand.

Your assessment has been approved for these conditions whilst you're away:

- Anxiety

## Your assessment is attached

You'll find a copy of your assessment on the next page.

You have 30 days from (28/05/2026) to add the cover to your policy which has to be done prior to departing. So, if you haven't already, you can add cover for the above conditions to your policy, right up until that expiry date.

## Where to next?

### If you've already got a Cover-More policy:

First step is to check your Certificate of Insurance (COI). It must include your medical assessment reference number (shown above) for your conditions to be covered.

- If your COI does include your reference number, you're all set. There's nothing more to do here – just sit back and worry less.
- If your COI doesn't include your reference number, please contact us ASAP on 1300 72 88 22. You may need to pay an additional premium to include the cover.

### Don't have a Cover-More policy yet?

We're here to help – being there for you is what we do. You can call us on 1300 72 88 22, visit our website, or chat to your travel agent to arrange it.

### Rather not proceed with the extra cover?

It's totally up to you. You can still buy a Cover-More policy without cover for these conditions – but please note that we won't be able to cover any claims arising from, relating to, or exacerbated by your existing medical conditions or any conditions exacerbated by them.

As always, we're here to give you the care you need, so you can stress less.

Warmest,

Your medical assessments team
