International check-in times

Flight #1: Perth > Denpasar

Please, don't be late. We can't wait.

We're committed to keeping on schedule, and we know you don't want to miss your flight. Please make sure you arrive at the airport with plenty of time to check in and pass through security. If you're not at the boarding gate on time, you won't be able to board the flight and you may lose your fare in full.

Baggage information

Starter fares include a carry-on baggage allowance of one bag and one small personal item with a total combined weight of up to 7kg.

Your bag must not exceed these dimensions:

Carry-on bag		Suit pack - non rigid	
H 56cm	or	H 114cm	
W 36cm		W 60cm	
D 23cm		D 11cm	

If you bring too many items, or they exceed the size or weight limits, the extra baggage will need to be checked in and charges may apply.

Adding baggage

In most cases, when you want to bring more than two carry-on bags, or more than your included carry-on weight, you must purchase additional carry-on and/or checked baggage allowance. It costs much less to do this before you fly.

Checked baggage limits

Make sure your baggage is within [size and weight limits](#). No single bag can weigh more than 32kg. If you haven't added checked baggage and you arrive at the airport with it, or if you have more than your allowance, [charges will apply](#).

A separate charge applies for [oversized items](#). Pay at [Manage booking](#) to save time at the airport.

Baggage transfers and flight connections

Unless you've been advised otherwise by Jetstar, you must collect your checked baggage after each individual flight. It is your responsibility when making a booking to allow time to collect your baggage, transfer terminals and check it in again if necessary. Please see [Baggage transfers](#) for further information.

Other information you need to know

- Travel insurance is recommended.

- We will do our best to get you where you want to be on time, but we don't guarantee flight times and they aren't part of our contract with you.

Conditions of carriage

Your travel is subject to the Jetstar conditions of carriage. The full conditions of carriage are available at the link below and the airport. If your journey is to another country, the Montreal or Warsaw Convention may govern and limit liability for death or injury and for loss of or delay or damage to baggage. Advice to International Passengers on Limitations of Liability

Passengers embarking upon a journey involving an ultimate destination or a stop in a country other than the country of departure are advised that the provisions of an international treaty (the Warsaw Convention, the 1999 Montreal Convention, or other treaty), as well as a carrier's own contract of carriage or tariff provisions, may be applicable to their entire journey, including any portion entirely within the countries of departure and destination. The applicable treaty governs and may limit the liability of carriers to passengers for death or personal injury, destruction or loss of, or damage to, baggage, and for delay of passengers and baggage. Additional protection can usually be obtained by purchasing insurance from a private company. Such insurance is not affected by any limitation of the carrier's liability under an international treaty. For further information please consult your airline or insurance company representative.
